

STRIP IT OFF

Super Stone® Strip It Off is a low odor, bio-degradable, non-flammable, highly effective stripper designed for removing all types of organic coatings and surface sealers. Strip It Off is very safe and user-friendly relative to other strippers found on the market today.

RECOMMENDED USAGE

- Concrete Surfaces
- Wood
- Metal
- Tiles
- Other Masonry Surfaces

COVERAGE

- 1 Gallon Covers Approximately 125 ft²
- 5 Gallons Cover Approximately 625 ft²

APPLICATION

For outdoor use only. Apply with paintbrush, roller, or spray directly on the coating that needs to be removed. Allow to sit for at least 20 minutes before checking ease of removal with a putty knife, if not ready let sit longer. The stripper will cause a liquefying and or sometimes bubbling action as it penetrates through the surface. Do not allow stripper to dry completely or removal becomes difficult. Stripper can be reactivated with subsequent light reapplication. The dissolved or blistered residue can be scraped off with a putty knife when it is ready to be pressure cleaned off. When pressure cleaning be mindful not to blow residue onto anything as it will stick to it. Clean all equipment and tools with water.

SAFETY PRECAUTIONS

Use with adequate ventilation. A (NIOSH) approved respirator is recommended. Avoid breathing vapor for prolonged periods of time and use gloves to avoid repeated contact with the skin. Do not use near fire or flame. Do not smoke during application and drying periods. In case of fire, use water spray, alcohol resistant foam, dry chemical or Carbon Dioxide.

Avoid contact with eyes, skin, and clothing. First Aid: **Eyes**-- In case of eye contact flush right away with large amounts of water for at least 15 minutes and seek medical attention if irritation persists. **Skin**-- Wash the affected area thoroughly with soap and water for at least 15 min. **Inhalation**-- If you experience difficulty breathing, remove yourself from the area to obtain fresh air. If breathing is difficult, give oxygen. **Ingestion**-- Do not induce vomiting. Never give anything by mouth to an unconscious or convulsing person. Rinse out the mouth with water. Get medical attention immediately.

Limited Warranty: *Since no control is exercised over product use, Super Stone® only warrants that this product is of consistent quality within manufacturing tolerances. Seller's and manufacturer's obligation under this warranty shall be limited to refunding the purchase price of the portion of the material proved to be defective.* NO OTHER ORAL OR WRITTEN REPRESENTATION OR STATEMENT OF ANY KIND, EXPRESSED OR IMPLIED, NOW OR HEREAFTER MADE IS AUTHORIZED OR WARRANTED BY SUPER STONE, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Super Stone will not be liable for special, incidental or consequential damages, including for delays or lost profits.
